

Soulful Coach. Intuitive Healer. Motivational Speaker. Meditation Teacher.

Georgie Durcan

MORE ABOUT GEORGIE

Georgie Durcan is a Soulful life coach, Intuitive healer, Motivational speaker and Meditation teacher. Georgie has combined a wide range of therapies with her highly developed intuitive gifts to create a transformative and life changing system of coaching and healing.

Georgie has spent over 20years creating a transformative system of coaching and healing, which is guiding and supporting people to connect to their TRUE self, empowering them to create and manifest a life they TRULY love. Georgie supports people on their path of self- discovery and transformation. She guides people HOME to who they were born to be!

Georgie uses many different therapies and qualified as an ICF life coach, Chopra centre meditation teacher, Yoga Alliance RYT yoga teacher, Reiki Master, EFT practitioner, Health and Wellness coach, Diploma in Train the Trainer, all of these, along with many more mind, body, soul therapies are used in her work. She combines these therapies with her incredible and highly developed intuitive gifts to create a transformative approach to coaching and healing. She has brought her coaching system to thousands of clients internationally and worked for years in Vancouver, Canada. Georgie helps people transform people's lives with her 1:1 Private Soulful Coaching sessions, Speaking events, Retreats and online programmes.

Georgie's mission is to empower people to be their TRUE self in the world, to shine brightly in all they do, to live life in alignment with what they truly value, to feel like they can be FREE to be all they were born to be and to ENJOY the journey of life by MANIFESTING a life they love!

Georgie lives by the sea in her hometown of Greystones, Co Wicklow in Ireland, is married to a Donegal Man and has miracle boy/girl twins who her feet on the ground and always learning and growing!

MISSION

Georgie Durcan empowers, inspires and guides people to live a soul driven life. Georgie does this by creating true connections, truly seeing people, tuning into their Souls, while creating space for people's truth to be heard and cultivating an energy of true presence. their needs wherever they are in life.

VISION

- *Authenticity* – Georgie always speaks from a place of truth, so she can hold the space for others to BE able to show up in their authentic self.
- *Soul* – Georgie always intuitively uses her SOUL to connect with what the event or person needs for the highest good.
- *Connection* – Georgie brings real authentic connection, by truly seeing and tuning into people's Souls. She creates space for people's truth to be heard and cultivates an energy of true presence.
- *Community* – Creating community whether it is online or at an event, bringing people together that want to connect, be authentically present and be with others that will support, encourage and uplift.
- *Love* – To show up in all she does with the highest loving vibration, to channel unconditional love and share her heart.
- *Soul Led Personal Development* – bringing the SOUL into personal development, by making sure you are learning and growing and developing in a way that feels aligned with your own SOUL and truth.

- Tools to reduce stress and overwhelm
- How to connect and trust your intuition
- Meditation practices
- Developing a daily soulful practice
- 7 Soulful Manifestation Keys
- Clearing the beliefs that block you achieving your goals
- Healing the past
- How to move beyond fear
- How to live an authentic life
- How Georgie healed childhood trauma
- The tools and practices that helped Georgie overcome mental health challenges and a challenging fertility journey
- How to fully own your unique self and show up fully in life
- The key question Georgie asks herself everyday to empower her to manifest all she truly desires and to create a life she loves.

TESTIMONIALS

Georgina is a beautiful soul, my sessions with her have been so amazing. She always knows exactly what I need to hear and delivers messages in such a kind & compassionate way. Her guidance has been life changing for me and I always come away feeling so much lighter and filled with hope. I would highly recommend working with Georgina as I truly believe everyone needs to experience this magic"

— Cheryl

"My life has changed beyond recognition since I started working with Georgie 6 years, she has given me the gift of hope, faith and a belief in myself, so I now move through my daily life with a trust in myself, this is priceless. She embodies unconditional love and kindness"

— Lexi-Ann

"Georgina is an Earth angel. Everything she speaks and channels is pure love and when you feel that energy it's so healing. When I started working with Georgina, I didn't know what to expect, our first session blew my mind and heart wide open, how she knew the things she knew astounded me. She truly read my Soul, my true self. It opened my heart to what was possible for me and that I could let go of suffering. She gave me hope. I am forever changed by our work together and forever grateful"

— Ann

TESTIMONIALS

“ I attended a live event that Georgie spoke at, it was her own show in a theatre and she spoke on stage for over 2 hours, I was mesmerized from the time she stood on stage. I didn't want to leave, I was rooted to the spot and couldn't believe how transfixed the whole audience was, you could have heard a pin drop! The power of her story, her energy, her message, her ability to connect with the audience was so powerful and moving. Her ability to pass on messages to people in the audience had most of us in tears. It was sensational and an evening I will never forget”

- Sarah

“ I have attended many retreats and workshops that Georgie has led and I always come away with a new learning or awareness about myself. She has an incredible gift to be able to see your absolute truth and help you to have clarity and confidence in your own gut and intuition. She has helped me learn to trust myself and have my own back and to be able to make changes and take action on things I really want to manifest. I know she has changed so many people's lives but remains so humble and always brings an energy of love and light. It is inspiring to watch her do her thing and then to also hear her story, she brings hope, joy and so much love”

- Maria

“ I highly recommend Georgie as a motivational speaker, she brings a presence and confidence that is uplifting and inspiring. She speaks to an audience with such passion and heart. She knows how to deliver really powerful information but in a very practical and simple way. Her ability to connect to an audience is a joy to watch and everyone leaves the space feeling like they received exactly what they needed. Her intuitive gifts blew everyone away”

- Joyce
